HOUSE PASSES THE
PEACE RESOLUTIONSends Measure Which Senate Has
Already Passed, to The Presi-
dent by Vote of 228 to 139

WILSON WILL LIKELY VETO IT

Nineteen Democrats Refuse to Fol-
low Party Leadership And
Vote With The Majority

(By United Press.)

Washington, May 21.—The house today passed the Knox peace resolution and sent it to President Wilson.

It has already been passed by the senate.

The vote was 228 to 139. It indicated the resolution cannot be passed over a presidential veto as the majority is less than the necessary two-thirds.

Hiding by the democrats broke out when Representative Mason of Illinois, republican, declared that he "would rather take judgment of the senate than that of a sick man at the other end of the avenue."

Mason claims that the president has no right to keep American troops in Germany.

After an hour of debate on the motion of Chairman Porter of the foreign affairs committee, the house adopted the resolution as the substitute for the one it passed more than a month ago.

The resolution probably will reach the White House late today or tomorrow and then the president is expected to veto it with a sharp message to congress.

Nineteen democrats broke away from party leadership and voted for the resolution, including the Tammany men from New York.

Two republicans, Fuller of Massachusetts and Kelly of Michigan, voted "no."

LOCAL SHIPPERS FAIL
TO ATTEND MEETINGTraffic Men Seeking Signatures to
Petition Asking Freight Rate
Boost Interview Them

TO GO BEFORE COMMISSION

Not enough Rushville shippers displayed an interest in the meeting to discuss the proposed increase in freight rates, at the Social club yesterday afternoon, to warrant holding one and the traffic representatives of the four railroads entering Rushville, made calls on several of the larger shippers and explained the situation to them.

The traffic men were accompanied by the local agents of the companies. The meeting was called for the purpose of getting the indorsement of the shippers of Rushville and their signatures to a petition asking for an increase of thirty percent in freight rates. The petition will be presented to the interstate commerce commission May 24 and the railroads wish to show that there is a demand for the advance.

Most of the shippers interviewed agreed that the increase is necessary and signed the petition which will be presented to the commission recommending the increase. It is doubtful whether the increase asked for will be granted, but the railroads will no doubt secure some kind of an increase. The representatives stated that the freight increase would not apply to the passenger rate and that they are not seeking an increase in this.

SUGAR CAN BE REDUCED.

Washington, May 21.—Retail sugar prices can be reduced fifty percent, J. H. McLaurin announced here today, following a conference with the United States Grain Association held with Attorney General Palmer. The attorney general must stop speculation in sugar, he said. Immediately after the meeting Palmer conferred with a delegation of sugar brokers from New York and other Atlantic coast cities.

NEARLY 200 MASONS
SIT DOWN TO SUPPERMeal Served by Eastern Star is a
Feature of Annual Inspection
of Four County Lodges

MILROY TEAM FAILS TO COME

A few less than two hundred Masons of Rush county sat down to a delicious supper prepared by the Eastern Star, last night, which has a feature of the annual inspection of the Blue Lodges of Rushville, Andersonville, Raleigh and Milroy, which began yesterday afternoon with work in the E. A. degree by the Raleigh team on a candidate from Raleigh. Phoenix lodge No. 62 of Rushville gave the P. C. degree to a candidate from Raleigh at three o'clock.

The work in the Master Mason degree, which was on the program for after supper, had to be dispensed with because the Milroy degree team failed to put in an appearance although the lodge was expected to provide the candidate and present the work. A few members of the Milroy lodge were present and it was reported the candidate was not ready for the degree.

The inspection was conducted by Herbert Graham of Indianapolis, who addressed the Masons in the evening.

DEMONSTRATION IN
GRADING OF GRAINIndianapolis Supervisor Will Dis-
cuss Dockage and Test Weight
of Wheat Here Monday.

C. B. RILEY LIKELY TO ATTEND

As all grain sold on the market must be sold upon grades established by the grain standard act, the demonstration on the grading of wheat which is to be given Monday afternoon at 1:30 in the assembly room of the court house should prove of special interest to farmers. Mr. Rhodes, grain supervisor at Indianapolis, will discuss the grading, dockage and test weight of wheat, giving a demonstration of the methods used in grading and testing grain according to the new standards.

C. B. Riley, secretary of the Indiana Grain Dealers' association will also likely be present and W. A. Oster, chairman of the seed certification committee, will also be present and give a short talk on the proposed seed certification work in the state. This talk should be of special interest to farmers interested in better seeds.

ASKS COAL PRIORITY RULING

McCardle Wires Interstate Com-
merce Commission and Sen. Watson

Indianapolis, Ind., May 21.—John McCardle, member of the public service commission, telegraphed the interstate commerce commission today asking for a priority ruling for coal in Indiana. McCardle informed the commission that the coal situation in this state is becoming acute and immediate relief is necessary.

Another telegraph was sent to Senator Watson asking him to use his influence toward affecting the issuance of a priority order. McCardle also asked the senator to try to induce the commission to rescind its order permitting other states to take coal cars out of Indiana.

ORDERS CAMPAIGN INQUIRY

Washington, May 21.—Investigation of presidential candidates campaigns of both parties, including their contributions and expenditures or use of influence, was ordered today by the senate.

KILLED BY HEAVY LOG

Greensburg, Ind., May 21.—Ray Barr, an employee of a sawmill at Greendale, was killed Thursday when a heavy log rolled over him while he was attempting to cut a chain under the log.

Gradual Decrease In Price Of
Food Throughout Country LikelyReports Received Today Show That
in Some Sections Trend in That
Direction Has Already Set In.

Gradual decrease in food prices throughout the country was in prospect today, according to the opinion expressed by wholesale grocers, economists and other experts in close touch with the situation.

Reports received today showed that in some sections of the country the trend toward lowering the prices on food has already been noticeable.

Although no sudden drop was looked for immediately, it was the opinion today that the market must decline eventually.

Clearing up of the freight congestion under order of the inter-

state commerce commission will go a long way toward clearing the road for a decrease in prices, it was said.

Lower prices were reported in Connecticut by the Agriculture College market service. Prices of meat, butter and even sugar were reported lower in Boston.

No change was reported in the market prices in New York, Chicago and the west. However, wholesale grocers said they were planning for a drop.

Sears, Roebuck and Company, large dealers in foodstuff, were compiling their autumn prices today, and announced they would be lower.

Flour prices were reported down in Minneapolis, the largest milling district of the country.

BOARD OF REVIEW TO
CONVENE ON JUNE 7Equalization of Assessments in Var-
ious Taxing Units is Task
Confronting Men

SESSION TO LAST 28 DAYS

The Rush county board of review will convene Monday, June 7, the law prescribing the session shall begin the first Monday in June and continue for twenty-eight days in counties of less than twenty thousand population in years when real estate is not assessed.

It is expected that the board will be confronted with much work, although it will probably not be as heavy as it was last year. The state board of taxation has taken over the appraisal of some classes of property, which formerly was left to the county board of review to assess.

The board will review the appraisements in the various taxing units to determine if they have been made uniformly so that one township will not have a heavier burden than another. After the board of review finishes its work, the county auditor will make out the list of levies for 1921 and these will be filed with the state tax board for examination and approval. It is not believed that the tax board will order many horizontal increases or decreases in township appraisements this year as the assessors as a rule, have endeavored to follow out the instructions of the state tax commissioners and the appraisements have been checked up from time to time by the representatives of the board.

TWO RAILROADS WILL
CHANGE TIME SUNDAYBig Four Will Resume Their Ser-
vice Used Before The War Which
Proved Most Satisfactory

PENNSYLVANIA CHANGES

The Big Four and Pennsylvania railroads will each change their schedules on Sunday, May 23, the Big Four railroad resuming their service of several years ago, and the Pennsylvania change affecting only one train.

The Big Four, in resuming their former pre-war train service, will, however, do away with any Sunday trains, having formerly run one train in each direction on Sunday. Their new schedule will be as follows, with south bound passengers leaving Rushville at 8:10 in the morning and 3:42 in the afternoon and the north bound trains leaving here at 11:20 in the morning and 5:30 in the evening.

The only change which will be made by the Pennsylvania will be from number 116, the hereon, at 4:30 south bound in the afternoon, to 4:30 south bound in the morning, after Sunday, arrive two minutes later at 4:45.

MOTOR PARTY SPENDS
NIGHT IN RUSHVILLECaravan Boosting Trucks For Haul-
ing Farm Products Leaves This
Morning For Milroy.

ARRIVES HERE AN HOUR LATE

A motor caravan of a dozen different makes and kinds of motor trucks, which is this week making a tour of Indiana in a campaign for the more general use of motor trucks to solve transportation difficulties, arrived here yesterday evening at five o'clock, remained here all night and this morning at eight-thirty o'clock pulled out for Milroy, where the party was scheduled to make a short stop at nine-fifteen.

The trucks were parked at a forty-five degree angle along the north side of the court house and a crowd soon gathered. Short talks were made by E. M. Baker and Mr. Hayes, after a few introductory remarks by Judge Will M. Sparks, who explained that the caravan would have been met at the edge of the city by a local committee, but for the fact that they would arrive two hours late. They were scheduled to reach Rushville at four o'clock. The party was accompanied by a band of six pieces which played last night.

The trucks were all equipped with pneumatic tires and the speakers dwelt on the fact that these tires did not damage roads. They also pointed out the advantages to be gained through more general use of trucks for hauling live stock and farm produce to market. The caravan carried a small electric light plant and a string of lights was run along the trucks last night.

ENCOURAGING REPORTS
BEING RECEIVED TODAYIndications Are, Following Opening
of Home Service Appeal, That
Quota Will Be Raised.

TENCH TRAVELS OVER COUNTY

Encouraging reports were received today from many parts of the county following the opening yesterday of the canvass for \$5,000 as Rush county's quota in the Salvation Army Home Service campaign. The county was divided into sixty districts, with a team of Elks canvassers in each section.

Captain J. A. Tench of the Salvation Army, who covered the county yesterday distributing advertising matter in the interests of the appeal, said that everywhere he found indications of great interest in the Salvation Army and a willingness on the part of people to support. He was assured at Milroy that Anderson township's quota would be forthcoming.

Hammond was the first city in the state to reach its allotment, over-subscribing by \$1,000, according to an announcement by Major Arthur E. Robinson, chairman of the state committee, announced today. Union county also had produced its share of the state fund.

CULLEN SEXTON TO
PRACTICE MEDICINESon of Dr. and Mrs. J. C. Sexton
Will Open Office Here After Re-
ceiving M. D. Degree in June

FINISHES COLLEGE COURSE.

Marshall Cullen Sexton, son of Dr. and Mrs. J. C. Sexton of this city, has completed his medical education at the Ohio Medical College, and with his wife will arrive in this city tomorrow for permanent residence, where he will engage in the general practice of medicine.

He will return to Cincinnati on June first when the M. D. degree is conferred upon him, and he will then take the state examination, which will permit him to the practice in this state. In the near future he will open an office in the Dr. Sexton hospital, and will engage in the general practice preparatory to taking up the skill of surgery of which his father is most noted.

Dr. Sexton will be the fourth generation of his family to engage in the practice here, the first being Dr. Horatio G. Sexton, then Dr. Marshall Sexton, and the present Dr. J. C. Sexton. Dr. Marshall Sexton, was the first white male child to be born in this county.

Dr. and Mrs. Sexton will reside in the Sexton property, in East Fifth street, directly opposite the hospital.

PLANS COMPLETED
FOR MEMORIAL DAYThe Rev. L. E. Brown, Pastor of
Main Street Christian Church,
Will Deliver Address

PROGRAM BEING PREPARED

The annual G. A. R. Memorial exercises are now being planned by the committee in charge, and a definite program has not as yet been worked out, but it is known that the Memorial sermon will be preached Sunday May 30 at the First Baptist church by the pastor, the Rev. C. J. Bunnell, and the Memorial Day program will be carried out on the following day, with an address by the Rev. L. E. Brown, pastor of the Main street Christian church, at the court room in the court house.

The committee in charge of the arrangements will ask the American Legion to take part in both programs, and will also invite the Women's Relief Corps. When the program is completed, it will be announced.

MURPHY NAMED TREASURER

Former Service Commissioner Put
on State Democratic Committee

(By United Press.)

Evansville, Ind., May 21.—Charles Murphy of Brookston today was named treasurer of the democratic state central committee by Benjamin Bosse, chairman. Murphy was a member of the public service commission during the administration of Governor Ralston. He is closely associated with Thomas Taggart, senatorial nominee.

Bosse said he would name a state secretary just before the national convention at San Francisco. He announced that sixty rooms have been engaged at San Francisco as the Indiana headquarters for the national convention. He also stated that Miss Gertrude McHugh of Indianapolis has been named secretary of the Indiana delegation and she will leave immediately for the west to outline plans for Indiana women attending the meeting.

SAYS JOSEPH WAS SUICIDE.

London, May 21.—That the aged former emperor of Austria, Hungary, Franz Joseph, hanged himself in his bedroom, was the statement published by a socialist newspaper of Rome, according to the correspondent of the Chronicle today. The story, originated in Trieste, and quoted a Czech-Slovak authority.

SERVICE BUTTONS
ARE DISTRIBUTEDLieut. Barker of Field Artillery
Spends Day Here and Will be
at Legion Meeting Tonight

TWO RECRUITS ARE OBTAINED

Meredith W. Howell and Curtis J.
Zeigler Enlist For Sanitary
Train of Sixth Division

Lieutenant Barker of the field artillery of the United States Army arrived here this morning and spent the day distributing service buttons to ex-service men who called at the recruiting hut, at the corner of Main and Second streets, and proved their connection with some branch of the service by displaying their discharge papers. There will be a special meeting of Rush post of the American Legion at the Post's quarters in the Red Men's building tonight, at which time members may obtain service buttons from Lieut. Barker.

The recruiting party from Camp Grant, which is in charge of the hut located here this week, announced this morning that Meredith W. Howell and Curtis J. Zeigler had enlisted for the sanitary train of the Sixth division, Camp Grant. The party will remain here over Sunday and will go to Shelbyville Monday morning for a week's stay.

A member of the recruiting party called attention to the fact today that the United States army air service is accepting enlistments and that contrary to the rule which was in force during the war, enlisted men will have the privilege of learning to fly. The air service has already selected one hundred ninety-four (194) of the enlisted men on duty at the various fields in the United States to take flying training. These men have been placed on a cadet status and are now under instruction at both Carlstrom Field, Arcadia, Florida, and March Field, Riverside, California.

The cadets are given a thorough course, in all branches including mechanics and the construction of airplanes in the ground schools before they take their actual flying training. The entire course covers a period of from nine months to one year during which time the cadet draws \$100 per month.

During the world war the Allies and Germany used many enlisted fliers over the lines and the United States was the single exception. Many of the Americans in the Lafayette Escadrille were enlisted men and remained enlisted men until they were taken over in the American Air Service whereupon they were commissioned. It is the intention of the Air Service to allow all enlisted men who so desire to take flying training.

The cadets, upon the completion of their training, are to be commissioned in the Aviation Section of the Signal Reserve Corps as airplane pilots and are given the choice of discharge or return to duty as enlisted men with the privilege of wearing wings. A great majority of the cadets have signified their intention of staying the service after the completion of their training. At the present time about 150 men are on the waiting list for flying training.

In view of the increased facilities for training, the Army Air Service in the near future will be ready to accept candidates from civil life who desire to take a course of training for airplane pilots.

HOT AFTER CARRANZA

Washington, May 21.—American revolutionary forces are in close pursuit of Carranza, deposed president, according to unofficial advice to the state department today. Carranza was last reported at Zacatlan, in the state of Puebla.

THREE KILLED IN EXPLOSION

Sistersville, W. Va., May 21.—Three men were killed and the city was rocked by the explosion of one hundred quarts of nitro glycerine, the plant of the Young Trench Company here. The cause of the explosion has not been determined.

School Notes

By J. H. SCHOLL

The report of the Board of Children's Guardians as given in the Daily Republican last night shows what a magnificent work is being done by the organization. It has been working quietly for years and the public is beginning to realize what a power for good that society is. The nature of the work does not lend itself to publicity but every one certainly appreciates the report that has been given to the public. The untiring service of the members of the organization has been given without pay. Much of the good things that the public receives comes from the philanthropic work of those interested in the community from an unselfish standpoint.

The manual training exhibit that has been placed in the Wyatt show window for the last week has received much favorable comment. The work is a credit to Miss Margaret Morehead and the boys who have been taking woodwork. Another feature of the manual training work that does not show in an exhibit is the mechanical drawing. This work has been carried by a large number of students and the work done will be of great benefit to those taking mechanical and engineering courses in college.

See the prize posters on exhibition in Wyatt's windows. It is fine that the Rexall store has offered the money prizes for this work. It gave the class real advertising experience.

The baccalaureate services for the class of 1920 will be held in the Main Street Christian church, Sunday at seven-thirty o'clock. The Rev. J. C. Bunnell will preach the sermon. The commencement exercises will be held next Wednesday night.

The four moving pictures shows, Alice in Wonderland, The Hoosier Schoolmaster, David Copperfield, and Rip Van Winkle netted \$121.27. This sum has been turned into the treasury of the Woman's Council to apply upon the work being done by that organization. The public has appreciated the splendid pictures shown and has gladly contributed to the Child Welfare Fund. It is fair to say that the children have not only enjoyed a good show for five cents but also that their contributions usually paid the expenses. The attendance at night has been the source of profit.

The members of the castes for "Shari-Hot-Su" and "The Neighbors" attended the play "Green Stockings" given by the Shelbyville high school, last night.

The work of the junior high school being departmental and the equipment of the high school being available for use, brings the pupils into a department full of interest. The Junior High School is growing and will be the means of retaining many pupils for the senior high school.

The members of the senior class will meet in the young men's room at the Main Street Christian church, Sunday evening, not later than 7:15 p. m., in order to be ready for the baccalaureate services which will take place that evening.

Personal Points

—Earl H. Payne transacted business in Indianapolis today.

—Dr. R. J. Hall left this morning on a business trip to Indianapolis.

—Mrs. J. D. Case was among the passengers this morning to Indianapolis.

—Mrs. Will M. Sparks was among the visitors today in Indianapolis.

—Dave Allen of Shelbyville is visiting friends in Falmouth, for a few days.

—Fred D. Neutzelhelzer of Indianapolis visited relatives here yesterday.

—Miss Pauline Felt of Connersville spent last evening with relatives in this city.

—Dr. Dohm Humes of Indianapolis visited relatives here and at New Salem yesterday evening.

—Mr. and Mrs. I. L. Endres motored to Indianapolis today and spent the day. Mrs. Endres' mother, Mrs. J. H. Jenkins of Peru accompanied them home for a visit.

—The Rev. Clyde S. Black will go to New Washington, Clark county, in southern Indiana, tomorrow, to deliver a commencement address to the high school graduating class tomorrow night.

—The Rev. J. T. Aiken pastor of the First United Presbyterian church is attending the committee of missions of the general assembly of the church, this week, and will attend the sessions of the assembly at Sterling, Kansas next week.

SATURDAY AFTERNOON LEAGUE IS FORMED

Six Local Factories Will Have Teams in New Baseball League Which Will Open Soon

ANOTHER GAME ON TOMORROW

A factory baseball league has been formed in this city, with six factories taking part, and will begin on a schedule shortly, playing every Saturday afternoon, when the factories will close for the purpose of playing baseball.

Last Saturday afternoon the Park and Rushville furniture factories played a game, and this aroused the interest in several of the factories, and today four more institutions signified their intentions of coming into the Saturday afternoon league. The six teams, in addition to the ones mentioned above, will be the Innis, Pearce furniture factory, the C. E. Francis company, the Case Lumber company and the Pinnell-Tompkins Lumber Company.

All of the teams will be fitted with uniforms and a complete schedule will soon be adopted for the Saturday afternoon and holiday games. It might also be made possible for these teams to play outside teams on days when they do not play in the league.

The Park and Rushville furniture factory teams will play again tomorrow afternoon on the Belmont diamonds, and the Rushville team is going to make a big attempt to even up for the defeat which they suffered last Saturday by the Park team. Smith and Goodin, will be the batteries for the Park team and Moore and Vansickle for the Rushville Furniture Company's team.

HIGHEST Quality Award

Note How Essex Trebles Motor Power

The swing of interest to light cars, led by champions of the Essex, calls for particular caution.

Some may think of Essex only as one of a finer type, marking a general advance in standards throughout the light car field.

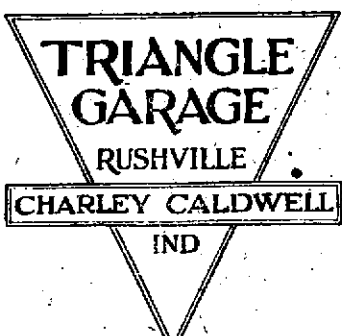

But the facts quickly expose that mistake. The Essex Motor is patented. No larger than standard motors the yield but 18 H. P. at utmost; the Essex delivers 55 H. P. And Essex performance, so enthusiastically admired by all motordom is the product of that exclusive invention.

Essex has set the greatest official endurance record of 3037 miles in 50 hours. It has never been equalled by any car, regardless of size or price. And Essex made the world's 24-hour road record of 1061 miles.

ALL RESULTS OF ITS PATENTED MOTOR

For cars of its piston displacement it has set every official record from 1 to 50 hours. And in its first year set a selling record never equalled in motor history.

It creates a new standard of light car capacity in a totally new type. And it cannot be copied. Do not forget that. You can get the abilities for which these records stand, only in the Essex.

DR. J. H. WAGNER

isfy beyond a doubt, that PE-RU-NA is what you need. PE-RU-NA may be purchased anywhere in tablet or liquid form.

When a doctor uses a medicine himself besides prescribing it to his patients, he must know that it has merit. This is what Dr. J. H. Wagner, a prominent physician of Skate, Kentucky, has to say about Dr. Hartman's well-known remedy, PE-RU-NA. "I have used PE-RU-NA myself for catarrh, bleeding after eating and other ailments. It has proved a success in all cases with old and young men and women. All speak well of PE-RU-NA. It is the best of all tonics."

Dr. Wagner, out of the fullness of his own personal experience, for the good of all sick and suffering, recommends a medicine which he knows to be good. You may be sure a doctor would not endanger his professional reputation by endorsing PE-RU-NA unless satisfied beyond a doubt of its value.

Whether your trouble be a cough or a cold, or a more subtle catarrhal affection of the stomach, bowels or other organs, give PE-RU-NA a trial. The immediate improvement which you will see will satisfy you beyond a doubt.

Taking Our Medicine

The banks generally are still refusing new credits and calling upon customers to reduce their indebtedness. This policy was agreed upon and put in force about the first of May, and is part of a carefully prepared plan to force commodities out of storage. The big financiers figure that too much money and credit has been tied up in stocks of goods held for increasingly higher prices. By refusing extensions of credits the banks will force stocks of goods held for speculative higher prices to be sold, and in this way will check the increase in prices and will, to some extent, deflate the volume of currency and negotiable instruments which are equivalent to currency.

The economic effect of cutting down the quantity of currency and negotiable instruments will be, of course, to increase the value of money, which will be correspondingly reflected in the decrease of the selling price of the goods for which people trade money.

The big financiers are well aware that this will also bring about a decrease in orders to manufacturers, and that again will result in manufacturers laying off numbers of workmen. And when any considerable numbers of workers are laid off the margin of unemployed workers will press down the increase of wages.

This plan has been deliberately formulated and will be carried out.

Treatment Of One Week Did Unusual Good

In Seven Days, Trutona's Benefits
Surpassed All Other Combined,
Woman Says

Indianapolis, Ind., May 20.—"One week's treatment of Trutona has done more for me than all of the other medicines I've ever taken, combined," was the convincing statement recently of Mrs. Bilda Smith, 59 years old, well-known Indianapolis woman, residing at 511 West Henry Street. Mrs. Smith was so happy that she then added:

"For the past eight years I have been very nervous and seldom tarred for anything to eat. What little food I did eat didn't agree with me. It seemed like a lump of lead had formed in my stomach. I was badly constipated and would some times go for several days with out an action of my bowels. My head would often swim so that I'd have to catch hold of something to keep from falling. No one knows how much I suffered."

"The different kind of medicines I tried didn't seem to reach my ailments. But I'm thankful now that I have at last found a medicine in Trutona that can cope with my troubles. My bowels are regular now and you never saw any one with a more ravenous appetite than I now have. That lumpy sensation in my stomach is gone and I'm not nervous any more. Nothing excites as it used to."

"I hope every one suffering as I have done will try Trutona. They'll surely be repaid in good health. If any one wants to know more about this wonderful medicine I will gladly tell them more fully."

Trutona is really a medicine of unusual merit. It is unsurpassed as a reconstructive agency, system purifier and body invigorant. It has been declared superior to all treatment for stomach, liver and bowel troubles.

Trutona is now being introduced and explained in Rushville at Har-
more & Gillingham Drug Store. Ave-

And while it will create much individual hardship and undoubtedly add to widespread discontent, yet, in the long run, it is probably a wise dose of bitter medicine which the country must take in order to escape taking a much more bitter dose of panic medicine in the future.

The country has simply gone crazy over speculation and getting rich quick and it has become necessary to get back to a basis of common sense, hard work, less speculation and production, or else face the certain prospect of all going broke together.

But while the medicine the banks are administering to business is good medicine, yet there is another point of view which should not be overlooked.

Granting that the big financiers are using their power wisely in this case, the fact still remains that no body or private citizens should be permitted to exercise such sovereign power over the labor and the fortunes of all the rest of us.

No people are really free when a little handful of men can meet in secret and decide just how much the nation shall be allowed to produce and to market and whether or not prices shall be high or shall be low, and whether or not everybody shall be profitably employed or only a certain percentage be employed and the rest be unemployed.

Whenever a handful of men can do that at their own sweet will and pleasure, then, so far as the realities of life are concerned, the most of the people are simply their servants.

The Other Fellow's Sister

People are often heard to make suggestive remarks concerning young women whom they see on the streets—but never when a husky male relative is present.

Generally there is no thought of injuring the innocent object of these remarks. They are born in thoughtlessness and uttered in a spirit of idleness, but they carry a sting that lasts.

If men would confine their remarks to such as they would approve if made regarding their own sisters, or such as they would make in the presence of the father or brother of the girl, there would be less vicious rumors and innuendoes circulating from lip to lip, and fewer heartaches when this idle gossip reaches the parties concerned.

And it makes a world of difference when it is the other fellow's sister.

Speak gently of others and they will seldom speak harshly of you.

The weather man, we note, never kicks at the roasts he gets in the press. It's an inexpensive method of keeping in the public eye.

Our principal criticism of our monetary system is the fact that we haven't been able to get our share.

Our office devil has delivered himself of another chunk of witless wisdom. He says the way to reduce the high cost of living is to quit living at a high cost.

Sap and Salt

By BERT MOSES.

Peace puts up a bigger fight than war.

Dress, or the lack of it, is woman's way of attracting men.

When an American gets to going, he never knows when to stop.

It has never been explained why men make such fools of themselves over politics.

Hez Heck says: "The worst thing about taking a bath in a cold room is getting yourself wet."

Now that things cost twice as much as they used to, the remedy lies in doing twice as much thinking.

For Sick Headache

Constipation, Indigestion, Sour Stomach, Biliouness, Bloating, Gas, Coated Tongue, take that wholesome physic.

With The Churches

Center Christian church—C. W. B. M. day will be observed at 2:30 p. m. and the sermon will be delivered by the Rev. L. E. Brown, pastor of the Main Street Christian church of Rushville. A large attendance is desired.

First Presbyterian church—Sabbath services as follows: 9:30, Bible school; there is a class for everyone. At 10:30, morning worship, sermon, "Pentecost's Message For The Church of Today." No evening service on account of baccalaureate. Mid-week service, Thursday evening 7:30.

United Brethren church—Sunday school at 9:30 a. m.; preaching at 10:30 a. m., subject, "Pentecost Today," Christian Endeavor at 6:30 p. m.; preaching services at 7:30 p. m., subject, "The Great Need of Today." Prayer and praise service, Wednesday evening at 7:30 o'clock. All are cordially invited to these services.

First Baptist church, Sunday services: Sunday school at 9:30. Public worship at 10:45 a. m. and 7:30 p. m. Subject for the morning sermon, "Courage Under Difficulties." The evening services will be in connection with the union services at the Christian church in honor of the graduating class of the high school.

There will be no preaching services at the First United Presbyterian church in this city or at the Greenwood U. P. church, due to the fact that the pastor, the Rev. J. T. Aiken, is in Sterling, Kansas for the general assembly of the church. Sunday school will be held as usual here at 9:30 a. m. and young people's meeting at 6:30 p. m.

The Bible school period of the United service at the Main Street Christian church commences at 10 o'clock. At the preaching hour the pastor will speak on "The Great Refusals of Christ." At 7:30 the Rev. C. J. Bunnell will deliver the baccalaureate sermon in this church for the high school graduating class. Prayer meeting service Thursday at 7:30, led by the pastor.

Salvation Army church—Young People's meeting tonight at 8 p. m. Tomorrow evening open air meeting. The Life Saving Guards will appear in full uniform at the officer's headquarters, 440 West First street, tomorrow evening at 6:45 o'clock. Sunday morning holiness meeting. At 2 p. m., company meeting; at 7:30 p. m. open air meeting; 8 p. m., indoor meeting, subject "Where Have You Laid Him?"

St. Paul's Methodist Episcopal church: Sunday school at 9:30 a. m. in charge of Superintendent Gates Ketchum; Morning worship at 10:30 with sermon by the pastor, topic, "The Events of Pentecost." Junior League at 2:30 p. m.; Epworth League at 6:30 will be led by O. P. Wansley. Special talks and musical numbers will feature this service. No preaching service at night on account of the high school baccalaureate service. Prayer meeting Tuesday evening at 7:30. A cordial invitation to all.

Homer Christian Union Church—Sunday school at 9:30 a. m., preaching by the pastor at 11 p. m. A basket dinner will be served at noon. Everyone is invited to attend the morning services and bring their baskets well filled for the basket dinner at noon. The afternoon service will consist of songs and devotional services, sermon by the Rev. Mr. Hughes, pastor of the local Christian church. At 7:30 p. m. the evening service will begin. The Rev. Mrs. Booher has charge of all music and song services. A. F. Polk, pastor.

Plumber Thought He Needed New Pipes

"My stomach and intestines were always full of gas and I often had severe colic attacks. The pain and soreness caused me to think I needed a new set of pipes. Since taking Mayr's Wonderful Remedy all this has disappeared and my only trouble now is to make enough dough to buy all the food I'd like to eat." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. At Druggists Everywhere. (Adv.)

TO CLOSE MONDAY EVENINGS Beginning Monday evening May 24th all barber shops will close their doors at 8 p. m. every Monday.

8 POUND BOY BORN
An eight pound boy was born yesterday afternoon to the wife of James Baldwin, corner of Third and Perkins street. The child has been named Robert Ashton.

Good Digestion Means Health

Last time we talked about the appetite, Digestion is just as important. Even if the appetite is good you still lack strength and health if the digestive organs do faulty work and do not properly take nutrition from your food to keep the organs and tissues of your body strengthened and built up. If you have poor digestion begin today to correct your trouble.

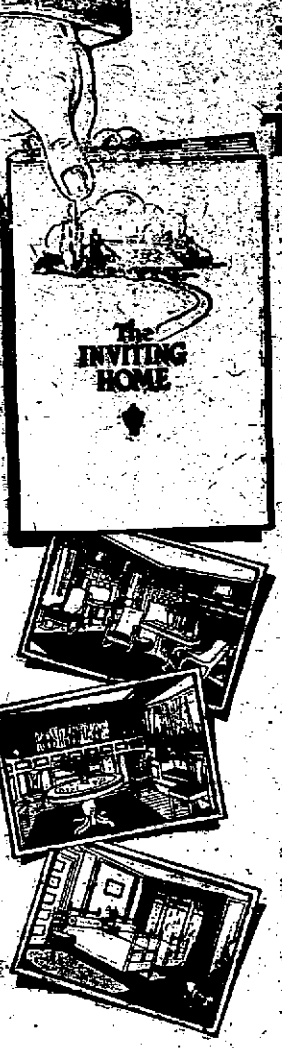

Digestion is the process whereby nutrition is taken from food. Nutrition keeps the organs and tissues of the body strengthened and built up—keeps you healthy.

If you have good digestion, nutrition is properly taken from the food you eat and the organs and tissues of your body remain in healthy condition. But if your digestion is faulty—if you bloat and belch, have pains in stomach and chest, have coated tongue, sour stomach—then nutrition is not being taken from your food properly and the organs and tissues of your body grow weaker as your system gradually becomes run down all over.

One of the most-talked-of things about Vola-Tonic, "Builder of Strength," is the manner in which it corrects faulty digestions. Vola-Tonic first brings a good appetite and then helps the stomach take strengthening nutrition from food to nourish the organs and tissues of the body. In addition, Vola-Tonic builds up the blood and soothes the nerves and as a result full strength and health come to the weakened, run down man or woman.

In cases of a weakened, run down system where extreme nervousness is present Vola-Tonic Nerve Treatment should be taken along with Vola-Tonic or, if there is extreme constipation, Vola-Lax Candy Laxative should be taken with Vola-Tonic.

Vola-Tonic, "Builder of Strength," Vola-Tonic Nerve Treatment and Vola-Lax Candy Laxative are sold in Rushville by Frank E. Wolcott and are sold by one leading druggist in cities and towns everywhere near here.—Adv.

The regular meeting of the Tri Kappa sorority will be held Monday evening at the home of Miss Mae Taylor in West Tenth street. A full attendance is urged.

Mrs. Ruth Budd will entertain the Blue Bird Club of the St. Paul's M. E. church tomorrow afternoon at 2:30 o'clock at her home in North Harrison street.

Mrs. Harry McMullin was hostess for the members of the Thursday afternoon Bridge club yesterday afternoon at her home northeast of the city. The guests enjoyed the afternoon over the card tables and the close of the card games a delicious luncheon was served.

The regular meeting of the D. A. R. was held yesterday with Mrs.

OUCH! SUCH PAIN! It Takes You Right in the Back!

SOMETIMES IN THE ARM, HIP OR FOOT, It's all due to an over-abundance of that poison called uric acid. The kidneys are not able to get rid of it. Such conditions you can readily overcome, and prolong life by taking Anuric. This can be obtained at almost any drug store, in tablet form.

LAFORTE, IND.—"I suffered for nearly a year with sciatica. I was unable to work for two months in the spring and about three weeks in the fall. I took electric treatment and several different kinds of medicine but got no relief until I came into possession of a bottle of Doctor Pierce's Anuric (anti-uric-acid). Tablets, which I took in accordance with directions. One week after I started taking Anuric I went back to work in a greatly improved condition, and to-day, no matter what the weather is I have no pain from sciatica, so I will recommend the Anuric Tablets to all who are suffering from rheumatism." — GLEN HINES, 423 Washington Street.

Alvan Moor in North Main street. A splendid program was enjoyed by the fifteen members and three guests. Mrs. Rhoda Offutt of Shelbyville gave a very interesting report of the Continental Congress held in Washington, D. C. The following officers were elected during the business session: Regent, Mrs. D. D. VanOsdel; vice-regent, Mrs. H. V. Logan; recording secretary, Mrs. Earl C. Moore, corresponding secretary, Miss Laura Meredith; treasurer, Mrs. Will Dill; registrar, Miss Alice Norris; historian, Miss Emma Blackledge; publicity chairman, Miss Emma Casady; chaplain, Mrs. J. J. Amos. At the close of the business program a delightful musical program was given by the Misses Mary Louise Wyatt and Janet Dean on the violins, accompanied by Miss Jean Sparks at the piano. Light refreshments were served by the hostesses. The out-of-town guests were Mrs. Offutt and Mrs. Williams of the Shelbyville chapter.

Prominent among the spring musical events of interest to Rushville people was the wedding of Miss Carla Doran, daughter of Mrs. Bruce Johnson, living west of this city, to L. W. Phillips of Orlando, Florida, which took place at the home of Mrs. Clara Hand Nivens, in Orlando, yesterday at 12:30 o'clock the Rev. Mr. McConnell officiating.

Miss Edith Rand of Orlando was the maid of honor and Welbourne Phillips acted as best man. The bride looked lovely in a gown of white lace with a shell pink sash and hat to match. She carried a shower bouquet of pink roses and daisies. The maid of honor was dressed in a white organdie gown and carried a shower bouquet of pink rosebuds. The wedding ceremony took place before an altar of palms, ferns and white daisies.

Following the ceremony a four course wedding luncheon was served. The bridal table was adorned with the wedding cake mounted on a bank of pink roses and ferns. Covers were laid for the bridal party, while individual tables were arranged for the other guests. Only the immediate families and friends were present for the affair.

Mrs. Phillips is well known in this city, having attended the local high school for one year and visited here on numerous occasions. She has been living with her aunt, Mrs. Nivens, at Orlando, for over a year while attending Rollins college at Winter Park, Fla. Mr. Phillips is a young business man of Orlando and is connected with his father in one

THE PROPER WAY TO TAKE ASPIRIN

First see that tablets you take are marked with the "Bayer Cross."

The Bayer Company, who introduced Aspirin tell in their careful directions in each package of genuine "Bayer Tablets of Aspirin" that to get best results one or two glasses of water should be drunk after taking tablets.

"Bayer Tablets of Aspirin" to be genuine must be marked with the safety "Bayer Cross." Then you are getting the world-famous Aspirin, prescribed by physicians for over eighteen years.

Each unbroken "Bayer" package contains proper directions for Colds, Headache, Toothache, Earache, Neuralgia, Lumbago, Rheumatism, Neuritis, and for Pain generally.

Handy tin boxes of twelve tablets cost but a few cents. Druggists also sell larger "Bayer" packages. Aspirin is the trade mark of Bayer Manufacture of Monaceticacidester of Salicylicacid.

of the largest automobile concerns of that city.

Accompanied by Mr. and Mrs. Westall, Mr. and Mrs. Phillips, left yesterday afternoon for a motor and boat trip to New York City. On their return home they will reside in a beautiful bungalow, a wedding gift of Mr. Phillips, Sr.

The Juniors of the local high school have been very busy for the past two weeks in preparing for the annual junior-senior reception which will be given tonight in the Graham Annex gymnasium. The class today was putting on the finishing touches in the decorations and was getting things in shape for the grand finale tonight. Although the juniors have kept it a secret as to how they intend to entertain the seniors, it has been predicted that they will prove themselves to be gracious hosts and hostesses and that many surprises will be in store for the honored guests.

Mrs. James Moore entertained the members of the Industrial club yesterday afternoon at her home in North Perkins street. The assisting hostesses were Mrs. Arnold Ormes, Mrs. Eva Offutt and Mrs. Edna Dager. Twenty-one members and several guests were present for the meeting. The home was decorated throughout with cut flowers and a very interesting program was given. Mrs. Clyde Deeters sang a solo, Mrs. Craig and Mrs. Mitchell favored the guests with readings and Mrs. James Moore sang a vocal solo. She was accompanied on the piano by Miss Frances Lyons. Refreshments were served at the close of program.

+ Amusements +

Pretty Edith Roberts, star of the Universal production "Her Five-Foot Highness," and who is equally at home in a drawing room or on a horse, declares she prefers a "he-saddle like we have out in Texas," to the postage stamp affair considered the proper thing for fashionable riding parties.

In "Her Five-Foot Highness," at the Mystic Theatre today, Miss Roberts plays the part of a Texas girl who goes to England to claim an estate.

When she starts for a ride one morning with members of the English nobility she can't get used to the tiny saddle they give her. She goes back to her room and gets out the saddle she brought with her from America and, once in that, shows them some things about riding.

ATTACKED BY RAIL OWNERS

Wage Agreements Between Employees and Administration Censured

(By United Press.)

Chicago, May 21.—Wages and working agreements entered into between the railroad employees and the United States railroad administration were subjects of an attack by railroad owners before the United States railroad labor board here today.

The railroad through E. T. Whittier, chairman of the conference committee of railroad managers, took advantage of the statement made by L. S. Sheppard of the employers that the agreements were legal. Whittier declared that the ruling was made for the time of federal control and was not in effect after that time.

DIVORCED AND REMARRIED

James M. Ryan, a farmer of Riedland township and Jennie A. Ryan, divorced from each other in 1917, were granted a marriage license yesterday afternoon. Judge Vill M. Sparks performed the marriage ceremony.

MRS. A. L. WILDRICK, of Los Angeles, Calif., who says she had to spend half her time in bed and could not get relief until she took Tanlac. Declares she now feels as well as she ever felt in her life and that she has gained fifteen pounds in weight.

The following remarkable statement was made recently by Mrs. A. L. Wildrick, a well known and highly respected resident of Los Angeles, Calif., living at No. 222 North Alvarado street. Mrs. Wildrick is 69 years of age and is the mother of seven children. Her photograph appears here.

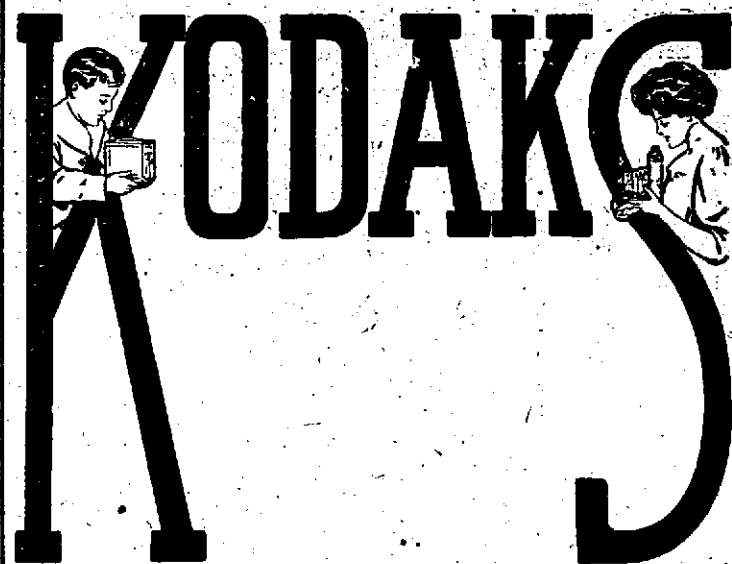

"For the past year or more," said Miss Wildrick, "I have been in very poor health. I suffered principally from chronic indigestion and my condition was so bad I had to spend half of my time in bed from sheer weakness. In spite of all the medicine I took I could not possibly get any relief and I became so nervous and unstrung that at times I could hardly realize what I was doing. I just had no appetite at all and suffered terribly nearly all the time with indigestion and was really in a very bad way physically. If I did eat a little something I would always have a miserable, distressed feeling afterward and I tell you I was going down hill pretty fast. "Well, I just can't find words to tell you how really bad off I was and also to tell you what Tanlac has done for me, for I feel as well now as I ever felt in my life. Why, after taking only three and a half bottles of this medicine I have actually gained 15 pounds in weight and everyone tells me I am looking better than in years. "Since I have been taking Tanlac I have found out that several of my intimate friends are also taking it and everyone of them are delighted with it. I am surely glad to recommend Tanlac and help spread the goodness of this medicine. Yes, I want you to use my photograph too, so that all my friends may see how well I am looking. Anyone who could see me now after seeing me only a few weeks ago would be convinced that Tanlac must be a really wonderful medicine."

Tanlac is sold in Rushville by F. B. Johnson Co., in Milroy by Dallas Copper, in Manila by Geo. J. Inlow, in Arlington by Mrs. L. T. Davis, and in Carthage by Otto C. McCarty.—(Adv.)

Don't Let Catarrh Drag You into Consumption

Avoid Its Dangerous Stage. There is a more serious stage of Catarrh than the annoyance caused by the stopped-up air passages, and the hawking and spitting and other distasteful features. The real danger comes from the tendency of the disease to continue its course downward until the lungs become affected, and then dreaded consumption is on your path. Your own experience has taught you that the disease cannot be cured by sprays, inhalers, jellies and other local applications. S. S. S. has proven a most satisfactory remedy for Catarrh because it goes direct to its source, and tends to remove the germs of the disease from the blood. Get a bottle from your druggist today, and begin the only logical treatment that gives real results. For free medical advice write to Medical Director, 104 Swift Laboratory, Atlanta, Ga.

FOUR CANDIDATES SEEK TEN OREGON DELEGATES

Wm. G. McAdoo Expected to Get Democratic Delegation as Result of Primary Held Today

REPUBLICANS VOTE FOR FOUR.

Salem, Ore., May 21.—One of four republican presidential candidates will receive 10 instructed votes at the national convention as the result of the primaries which are being held in Oregon today.

William G. McAdoo probably will get the democratic delegation from this state, as his name is the only one on the democratic presidential ticket.

Republican voters are today marking ballots for Herbert C. Hoover, Hiram W. Johnson, Frank O. Lowden, and Leonard Wood.

Under the Oregon law, delegates who are elected to attend a national convention, are pledged to support the presidential candidate receiving the highest popular vote at the Oregon primary as long as he, in their judgment, has a chance of nomination.

Of the 346 candidates throughout Oregon who seek state and district honors at the primaries today, 272 are republicans and 74 are democrats. Ten of the 346 are women.

TO PLAY ARLINGTON SUNDAY

Tail Lights, Strengthened by New Pitcher, Hope to Win This Time

The Rushville Tail Lights will meet the Arlington Red Sox again Sunday on the diamonds at Arlington, and as the local team has been strengthened by a new pitcher, it is expected that the score will be different this time than it was a few weeks ago, when the Arlington team won. The game will be called at 2:30 o'clock and the local team would like to have a big crowd of rooters accompany it. The team will meet Sunday morning for practice and will leave on the 1:17 car for Arlington.

EXCHANGE

The Pastor's Aid Society of the Main Street Christian church will hold an exchange next Saturday morning at the Week's Meat Market.

DO YOUR FEET FEEL GOOD?

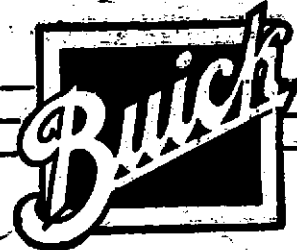

They will if you treat them right.

At the first sign of trouble, let our trained foot expert examine them and see if your shoes fit. Most foot troubles are caused by wearing the wrong shoes. You can wear the daintiest shoes and still be comfortable if the shoes are fitted right.

If you already have foot troubles, we can relieve them with

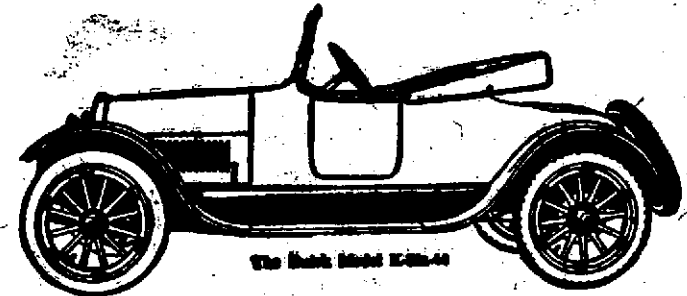

McIntyre
FOOT TREATMENT

THE enthusiastic army of over five hundred thousand Buick owners are in a great measure responsible for the unprecedented demand for Buick Valve-in-Head motor cars today. Their daily experience in Buick service—Buick economy—Buick endurance, and Buick reliability, prove conclusively to the present and future purchaser that "there is no substitute" for a Buick Valve-in-Head motor car.

These reasons are causing hundreds of persons to contentedly await the delivery of the various Models selected.

CHAS. Collins
Rushville, Ind.

What Kills A Storage Battery

IF YOU let a windmill tank become nearly empty repeatedly the staves will soon fall to pieces. Exhausting a storage battery below the danger point repeatedly has a similar effect on the battery plates. A Matthews plan does not permit this. Long before they are exhausted to the danger point, the "Automatic Care-taker" automatically starts the generator recharging and stops it automatically when the batteries are full.

MATTHEWS

ELECTRIC LIGHT AND POWER PLANTS
protect an overloaded battery against heating by automatically taking ALL the load on the generator. But if the generator can't carry it all, the batteries automatically "cut in" again and both bear the burden. Any plant that does less than this is NOT Full Automatic and is out of date the day it is installed.

Matthews rating is based on generator capacity ALONE, batteries being a reserve supply.
Six Sizes, \$445 Upward
FREE BOOKLET "A" UPON REQUEST
Ask the Matthews Dealer for Demonstration.
FULL AUTOMATIC—starts and stops itself—not merely "self-starting."

Lock The Barn Against Fire

Best practice in barn building today is to make the MOW FLOOR FIRE-PROOF. That will prevent a stable fire causing loss of feed above or fire in the mow endangering animals below.

You use concrete now for stable floors and walls because you want warmth, cleanliness, ease of cleaning and permanence. Go a step further—safeguard your investment. Build a concrete mow floor for insurance against fire. This is good practice. You can see plans of this and other horse barns at our office.

THE FARMERS OF RUSH COUNTY

The Ohio Rake Company of Dayton, Ohio, purchased of the Gale Manufacturing Company of Albion, Mich., one year ago, all the patterns and patents of the Sure Drop Corn Planter, and all the repairs, and The Ohio Rake Company is now the sole owner and manufacturer of all Gale Sure Drop Planters which are manufactured, and can furnish any part of repairs for any Sure Drop Planters made back as far as 15 years, or any style of the old planters. Any farmer who has a Sure Drop Planter and wants any repairs for same may call on Oneal Brothers, Rushville, and get the repairs from Dayton, Ohio, on very short notice, or any farmer can write to The Ohio Rake Company and they will answer any questions in reference to the repairs of the Sure Drop Corn Planter.

THE OHIO RAKE COMPANY, DAYTON, OHIO.
G. W. Robbins, State Agent
For the State of Indiana, Winchester, Ind.

The Starting and Lighting Battery That Goes Into Your Car to Work

THERE is no "perhaps" about the "Exide." Thirty-two years of battery-building experience guarantees the enduring rightness of its every detail. It is built to perform—smoothly, powerfully, dependably.
"Exide" Service is equally practical. The next time you require battery service, visit our "Exide" Service Station—or, better still, call for a Free Battery Test regularly.
In a little while you will come to appreciate that "Exide" Service is really an important step toward more efficient and economical operation of the battery in your car.

YOU will soon come to learn that this famous bread does away, for good and all, with the uncertain results and certain discomfort of baking bread at home.

Made with milk in pound-and-a-half loaves. Tastes better and keeps better because baked better and longer in this home size.

Little Flat Rock

Miss Hazel Bever of Indianapolis spent the week-end with her parents Mr. and Mrs. John Bever.

Miss Mildred Myers will go to Wingate, Ind., Saturday to attend the wedding of her former room mate, Miss Avanelle Carter, and will spend next week visiting friends at New Richmond.

Mr. and Mrs. Scholl of near Glenwood were the Sunday guests of Mr. and Mrs. Alva Johnston.

Lawrence Smith, the five year old son of Mr. and Mrs. George Smith, who has been seriously ill, with the measles is improving.

Maxine and Lowell Morris, children of Mr. and Mrs. Paul Morris, are ill with the measles.

Richard Norris, the one year old son of Mr. and Mrs. Walter Norris, who suffered severe burns Monday by crawling behind a stove after a pet dog, is getting along nicely.

Mrs. Black, sister of John Bever has been spending the past week here visiting relatives.

The Rev. and Mrs. Talmage Deere were the dinner guests of Mr. and Mrs. O. J. Myers Sunday.

Mrs. Lavina George of Rushville spent last week with her daughter, Mrs. Bert Heaton.

Mr. and Mrs. John Peck and Mr. and Mrs. Dee Hartman and family visited Mr. and Mrs. Ray Hartman, east of Glenwood Sunday.

Mr. and Mrs. Charles Carney and family visited relatives in Rushville Sunday.

The Mission Band will give an exercise for the Missionary Instruction period at Sunday school Sunday morning at the high school auditorium in New Salem.

"What's behind Us -Living singer or NEW EDISON?"

Don't you want to try this fascinating test of the New Edison's realism,—which caused distinguished psychologists to ask in amazement: "What's behind us, living singer or New Edison?"

Come in and hear Mr. Edison's Realism Test. See what sensations you'll get,—and determine for yourself whether listening to the New Edison produces the same emotions as listening to the living singer.

The three distinguished men of art and science in the picture are Dr. W. V. Bingham, Director of the Department of Applied Psychology, Carnegie Institute of Technology; Prof. C. H. Farnsworth, Director of the Department of Music, Teachers' College, Columbia University, and Wilson Follett, Esq., noted author and music critic. They tried the Realism Test at the Edison Shop, New York. They found that it brought into play their whole capacity to feel and to enjoy. They got sensations that were vivid and unique.

The REALISM TEST

proved in this vital demonstration, before scientists of international repute, that it is an ideal way for you to judge the New Edison.

It tells you precisely how effective is the New Edison's realism,—and what this realism means in terms of your own musical enjoyment.

Please feel free to come in at any time, and make this unique experiment for yourself.

THE BUDGET PLAN regulates your "pleasure" expenditures so that you can buy your New Edison without squeezing your income. Ask about it.

Gasoline Engines and Power Washing Machines

Make Blue Monday a Pleasure by Buying a Fairbanks Morse Engine and the Famous Woman's Friend Power Washer.

The FAIRBANKS MORSE ENGINE has the built-in magneto and the price is the lowest of any standard make engine with built-in magneto.

The WOMAN'S FRIEND POWER WASHER, Single or Double Tub has two stationary wringers which make it solid and more durable and with the small end of the tub at the bottom it does not require as much water for a small washing as for a large one and has a much larger rubbing surface than any other machine. The only power machine with small end of tub at bottom.

Lift off Corns!

Doesn't hurt a bit and Freezone costs only a few cents.

With your fingers! You can lift off any hard corn, soft corn, or corn between the toes, and the hard skin calluses from bottom of feet.

A tiny bottle of "Freezone" costs little at any drug store; apply a few drops upon the corn or callus. Instantly it stops hurting, then shortly you lift that bothersome corn or callus right off, root and all, without one bit of pain or soreness. Truly! No humbug!

Rushville, Mr. and Mrs. Walter Maple and daughter May Agnes and son Kenneth, of Palmyra, called on Mrs. Caroline Caldwell Sunday afternoon.

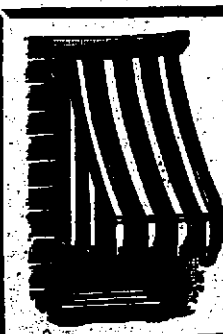

David Sherwood and daughter Miss Daisy, Mr. and Mrs. Alf Sherwood and sons James and Wayne motored to Metamora Sunday and spent the day.

Frank Gordon of Indianapolis and Mr. and Mrs. William Summan of Raleigh were the guests of Mr. and Mrs. John Mangold Sunday.

ECZEMA!

Money back without question. HUNT'S Salve-Safe is the treatment of ITCH, ECZEMA, RINGWORM, TETTER or other itching skin diseases. Try a 25-cent box at our drug store.
